President, 2002 - 2005

The International Economic Association invites submissions of papers to be presented at its 14th world congress. This event is scheduled to take place in Morocco, on August 29 – 2nd September, 2005.

◆ The Programme Committee

The scientific preparation of the Congress is placed under the responsibility of the IEA President, Professor Janos Kornai, who is assisted by an international Programme Committee, co-chaired by Gerard Roland and Laszlo Matyas

◆ The programme

The programme will focus around two main themes:

- (1) New trends in economics
- (2) Understanding the great changes in the world

The area of theme (1) includes, among others, issues like:

- New results in behavioural economics
- New institutional economics
- Pressure for and constraints on publication

The area of theme (2) includes, among others, issues like:

- Globalisation and new development in trade theory
- Economic development
- The first fifteen years of post socialist transition

- Honesty and trust

◆ Format

The Congress days will be devoted to invited lectures on the main themes and to parallel sessions of contributed papers. **Papers are suitable in any subject area of economics.** Topics of broad interest to countries throughout the region are also welcome.

◆ Paper submission guidelines
